

TECHNIGENT
Software Solutions Pvt Ltd

Technically Intelligent

- ✓ Are you using majority of skills of your taskforce in generating reports rather than productive work?
- ✓ Is your product/service quality **suffering** due to **communication hazards**?
- ✓ Are you unable to provide **competent services** to your **customers** and can stay in touch with them?
- ✓ Are **you unable to control costs & expenses** to run organization?
- ✓ Do you **spend heavily** on your marketing to reach wider audience?
- ✓ Do you use **disparate systems** to execute different processes and are not able to accumulate right business information due to lack of a central system?

- ✓ Are you not sure of which technology to use for automation?
- ✓ Do you want to **convert your idea/process** to automated solution and don't know how?
- ✓ Are you **facing issues in maintaining** and upgrading your **legacy system**?
- ✓ Is your workforce not able to make use of the system due to **complex user interface**?
- ✓ Are your IT requirements spread across technologies like web, mobile? Are you **struggling between different vendors**?

The screenshot shows a web browser window with a menu bar (File, Edit, View, History, Bookmarks, Window, Help) and a search bar with a Google logo. Below the menu bar, there are five tabs: LENDING OPPOTUNITIES, STRONG RETURNS, DETAILED UNDERWRITING, LOAN FRACTIONALIZATION, and STRUCTURED CREDIT. The main content area features the heading "Broad Spectrum of Lending Opportunities" and a list of five bullet points, each preceded by an orange checkmark icon. To the right of the text is a map of the United States with five circular icons overlaid, each containing a different building icon (factory, office, warehouse, etc.).

Broad Spectrum of Lending Opportunities

- ✓ Direct access to exclusive lending opportunities you wouldn't see otherwise.
- ✓ Loan amounts from \$1 million to \$30+ million.
- ✓ Diverse property types, nationwide.
- ✓ Short-term and long-term loan maturities.
- ✓ Build your own portfolio and benefit from the diversification of a fund/REIT and the transparency and detail of a single asset

“

I am immensely happy and satisfied with the design and technology TECHNIGENT has provided for Saurashtra Cricket Association website.

Niranjan Shah,
(Hony. Secretary, SCA)

“

I received a great value for the price when working with TECHNIGENT. The deliverable was very well done and communication was professional and timely.

Ernest Chapman,
(Expedigital Software)

“

I really value the work and professionalism of your team.

Terry Trayvick,
(Buy Ink Help Haiti)

“

Great work! Excellent, the calculators both look great and do the calculations as needed. I have tested the calculator and they both work as they should.

Steve Turner,
(DeVaughn Network)

At TECHNIGENT, we do not use a developer driven approach.

- ✓ Over **150+ Certified Experts**
Driving Innovative Solutions...
and still growing.
